

October 7, 2022

Each year, the Texas Department of State Health Services inducts emergency medical services personnel who lost their lives while on EMS duty into the Texas EMS Hall of Honor at the Texas EMS Conference in November. There will be four (4) inductees into the Hall of Honor in 2022.

The Texas Association of Air Medical Services (TAAMS) is hosting the Texas EMS Hall of Honor Annual Silent Auction. All the proceeds from the silent auction are used to support travel for the families of the inductee(s) to attend the ceremony commemorating their loved one.

The Silent Auction will be held in the exhibit hall at the Texas EMS Conference in Austin, Texas, on November 20-21, 2022. In order for this event to be a success, we are seeking your support as a donor of a Silent Auction item(s). By donating an item, you'll be making a tax-deductible contribution that will help TAAMS offer financial assistance to these families in need. Additionally, you will benefit from exposure of your companies name and logo that will be displayed on the silent auction item(s) you donate.

For those of you who have already made a donation, we thank you for your generosity. For those of you who haven't donated but would like to participate, please see the attached donation form.

On behalf of TAAMS, we thank you for your support!

If you have any questions or need any further information, please contact me.
